MOTIVATION LETTER

Dear Recruiting Team,

I am Dipali Bedarkar have been living in Munich, Germany since 9 years with my family, for few years I was on parental leave, in my free time I build my small online business, but I always dream to become a software Developer so decided to join a Full Stack Web and App Development Bootcamp to upgrade my skill. Now i'm ready to serve my knowledge and looking for good opportunity to brighten my professional career. I can speak and read German, English and Hindi Languages and always excited to learn new stacks and new trends.

I am a Master in Computer Management from India and Full Stack Web and App Development Graduation from WBS Coding School from Berlin.

Feel free to contact me directly if you are looking for a Webdeveloper.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Dipali Bedarkar
